

AtTask Announces 2015 User Conference **Learn how to 'Extend your Reach' at AtTask Leap 2015**

SILICON SLOPES, Utah, Oct. 15, 2014 /PRNewswire/ -- [AtTask](#), the leading provider of [Enterprise Work Management](#) solutions, will be holding its global user conference, AtTask Leap 2015, at the MGM Grand Hotel and Conference Center in Las Vegas, Nevada May 18 to 21, 2015.

Themed "Extend Your Reach," AtTask Leap is four days of intensive best practices sharing and forward-thinking discussions of how AtTask customers can extend their personal and professional impact on their businesses. The conference will feature presentations led by the best Enterprise Work Management leaders, networking with peers from around the world, and interactive breakout sessions.

"One thing is clear from the conversations I have with our customers—they really enjoy sharing their knowledge with others who are also using AtTask," said [Eric Morgan](#), CEO of AtTask. "We have customers doing really innovative things with our platform, and the conference will create a venue for our customers to network and share insights with one another. Couple that with dozens of best practice and use-case sessions, and we're confident that Leap 2015 will provide tremendous value for all who attend."

About AtTask

AtTask is a cloud-based Enterprise Work Management solution that helps marketing, IT, and other enterprise teams conquer the chaos of excessive email, redundant status meetings, and disconnected tools. Unlike other tools, AtTask Enterprise Work Cloud is a centralized, easy-to-adopt solution for managing and collaborating on all types of work through the entire work lifecycle, which improves team productivity and executive visibility. AtTask is trusted by thousands of global enterprises, like Cars.com, Cisco Systems, Covario, National Geographic, Schneider Electric and Trek.
